

PRODUCTION LABOURERS

Winton Homes Wall and Truss Plants

Join Our Team Now During This Exciting Construction Year!

With over 40 years of experience, **Winton Homes & Cottages** is a recognized leader in the design, manufacturing, and distribution of top-quality prefabricated home packages and commercial building components for a growing market throughout Western Canada, Washington and Alaska. Our **Production Labourers in the Wall and Truss Plants** produce exceptional quality prefabricated wall, floor, stair, roof, and truss components within specified timelines, many of which are used in commercial as well as residential applications.

While our focus is meeting the needs of our customers, our success is driven by our people. We are now in a demanding phase of the build year and are looking for motivated individuals to assist with our expanding business!

Our Production Labourers will be primarily responsible for:

- Working safely at all times, following WorkSafeBC regulations and Company safety policies/procedures
- Building prefabricated home packages and commercial building components efficiently using hand and power tools
- Loading, unloading and moving products and materials
- Following production schedules as directed by Supervisor/Chargehand
- Keeping all equipment in working order and reporting any deficiencies to the Supervisor/Chargehand in a timely manner
- Submitting reports and records pertaining to safety, quality, and production
- Performing product quality checks on an ongoing basis.

You are the ideal candidate if you possess the following qualifications, skills, and attributes:

- Have a demonstrated commitment to safety
- Are detail oriented with strong written and verbal communication skills
- Are well organized and able to work efficiently in a fast paced, team environment
- You enjoy hands on work and being on your feet all day
- Previous construction/ manufacturing experience with the safe operation of hand/power tools is preferred
- A Class 5 driver's license and a First Aid Level 1 certification are considered assets.

The starting wage is **\$21.06 per hour** with advancement based on competency and experience. With manufacturing taking place mostly indoors, employees enjoy a work environment protected from the elements, however there are certain tasks that must be completed outdoors.

If you are interested in joining a well known organization that is committed to sustainable growth and innovation while supporting healthy and vibrant communities, please submit your cover letter and resume to hr@wintonhomes.ca and quote "**Production Labourers**" in the subject line. These challenging positions are open until filled.
